City State Zip:

Preferred Contact Method: email

Request Message: I'm not sure what type of record would satisfy this request.

I'm searching for documents detailing the numbering of stations for ORCA readers. I am not searching for the serial numbers of the individual FTPs, but rather a number that applies to all readers at each station. The ones I know already are:

3: King Street Station

5: Kent Station

6: Auburn Station

I am expecting records containing the correlating numbers for the above stations as well as for Everett, Mukilteo, Edmonds, Tukwila, Sumner, Puyallup, Tacoma Dome, South Tacoma, and Lakewood stations.
